

Minutes of Informal Meeting of CA Executive Committee. 2/9/21

The meeting was held by Zoom and all members of the Executive Committee were in attendance, as well as Chris Kontis.

- 1 Robert was to draft an email to Deborah Chung indicating that permission to erect a net structure in the York Place park would not be permitted, as it is not in keeping with the 'Animal and Recreational' policy. The park will be closed in a few weeks due to regular maintenance of the grassed area.
- 2 With regard to the new Community Land Management Act, a decision was made that it will be necessary in the future to obtain competent legal advice concerning the validity of aspects of our Management Statement.
3. Chris and the Security Subcommittee are to consider the purchase of additional security cameras.
4. It was agreed that restoration of the Pantheon is to proceed and that the work be thorough and involve the expertise of a stonemason rather than a superficial repair job. Chris is to obtain two additional quotes for this work. \$48000 has been set aside in the current budget.
5. The pet by-law passed at the AGM will be acted on once it is registered with NSW Land Registry Services. Future changes to this by-law may be made, essentially as part of other changes which may need to be made - see point 2 above.
