

RALEIGH PARK ESTATE MANAGER'S MONTHLY REPORT

May 2021

Raleigh Park Community Association – Pool Heating Switched Off

Estate Management has switched off the heating to Sherwood Pool & Spa for the winter months. Racquet Club Pool & Spa heating will be switched off on Monday 10th May. The heating has been left on for an extra week due to early closure last year caused by COVID. Raleigh Park Website has been updated with this information along with notice installed in the Community Association Notice Board.

Raleigh Park Community Association – General Maintenance

Estate Management has engaged Handyman Contractor in the month of May 2021 to perform general maintenance works including repairing loose/lifted pavers inflicted by invasive tree roots and replacing faulty common area lighting.

Annual Landscaping Maintenance

Green Option Contractors have commenced the annual collection process of dead leaf material from the trees throughout Raleigh Park. The trees include ornamental pear trees in Link Park and along Brompton Road. The collection process will take approximately 6-8 weeks to complete.
